{ # LUXURIOUS LIFESTYLE

"What you wear is how you present yourself to the world,
especially today, when human contacts
are so quick. Fashion is instant language."

F A S H I O N }

"Anyone can get kurti up and glamorous,
but it is how people kurti in their
days off that are the most intriguing."

"You gotta have style.
It helps you get down
the stairs. It helps you
get up in the morning.
It's a way of life. Without it,
you're nobody. I'm not talking
about lots of clothes."
