MODERNIST

High and low isn't such a novelty thing. It's how young people interpret the life we've been given. It's how we look at luxury brands. It's how we look at heritage brands.

"I think our bodies are beautiful,
and I think celebrating them
and being comfortable
in them is what sublimely
you are — a masterpiece.
There shouldn't be any kind
of shame or discomfort around it."

NEW ARRIVAL

Ladies flavour[®]
fashion is not an act

"Fashion you can buy,
but style you possess. The key
to style is knowing who you
are, which takes years.
There's no how-to road map
to style... it's about self-
expression and,
above all, attitude."
