Fashion is one thing, but style is another.

Fashion and music are two great artists. For us that can be modeled by the youth culture - our taste and our passion for evolving things in our limited time on earth allows us to look at things with fresh eyes.

D.NO-1001

Fashion is anything which is you and reflects your personality.  
That is the key of this collection. Bring yourself into trends. Don't make fashion serve you, but you decide what you are,  
what you want to express in the way you dress and the way to live.
