

ATTITUDE OF A GENERATION

In the 1980s, capturing the style trends of the fashion industry, designers the world over thought they were not just, and indeed not only, the way people dress but also how they live. Some were heralding a new era of fashion that would be a blend of style and comfort. They were saying, 'It's not only how you dress, but how you live, it summed up the whole attitude of a generation, and this is now more pronounced today.'
