

ATTITUDE OF A GENERATION

In the 1980s, capturing the style trends of the fashion industry, amongst the world, was a thing they used to do, and that's not only the way people dress but also the way they think. There were hardly any of fashion that would be a general attire, but they were going to be only those things that would be a piece of art, and that's the whole attitude of a generation, and this is now more prominent today.
